

WHAT WE'RE DELIVERING

Grit & Grace Digital Academy — the Inner Court, online and in your pocket

www.gritgracegirlsacademy.com

We don't just raise girls. We raise Queens.

1

YOUR WEBSITE

A modern home for the Academy that you update yourself

- New pages: **About, Programs, Events, Journal, Gallery, Contact**
- Change words, photos and prices from **one simple screen**
- Parents **enrol online** and pay by **mobile money or card**
- Mid-year pricing is **worked out automatically**
- Event pages with a **live countdown**
- Every enquiry lands in **one inbox** and your email
- Looks beautiful on **phones** as well as computers

For you: no more waiting on a developer to change a date or a price.

2

ONLINE STUDENT PORTAL

Her own space to learn, month by month

- **12 monthly modules** built on the G.I.R.L.S. values
- **Video lessons**, devotionals and assignments
- **Workbooks** to download for each lesson
- A **private journal** — only she can read it
- **Badges, crown levels** and certificates anyone can verify
- **“Continue where you left off”** and progress tracking
- **Data-saver mode** to protect her mobile bundle

For her: everything in one place, at her own pace.

3

ONLINE COMMUNITY

A safe sisterhood — not social media

- A private **Circle of 8–12 girls** with their own mentor
- Spaces for **Wins of the Week**, **prayer requests** and books
- **Four kind reactions** only — Crown, Heart, Praying, Amen
- **No dislike button**, no strangers, no followers
- Every post **checked before it appears**
- **Quiet hours**: closes at 9 pm, opens at 6 am
- Private messages with **her mentor** (parents can switch off)

For parents: she belongs somewhere safe.

4

LIVE SESSIONS

Meet together, wherever she is

- **Circle mentor hours** in video rooms inside the app
- **Audio-only mode** when data is low
- **Whole-Academy broadcasts** and the speaker series
- **Attendance recorded** automatically
- **Replays** afterwards — can become a lesson
- Schedule a session **in minutes** from the dashboard

For mentors: no links to chase — girls just tap “Join”.

5

PARENT PORTAL

Parents can see the difference

- A clear view of **lessons, attendance** and effort each week
- Her **growth across the five values** — where she started, where she is
- Her **certificates**, ready to share
- **Switch features on or off** — every change is recorded
- **Invoices and instalments** by mobile money
- Her **journal stays private** — parents see it exists, not what she wrote

For parents: not a mystery, not a WhatsApp group.

6

MOBILE APP

The whole Academy in her pocket

- For **iPhone, iPad and Android**
- **Same account** as the website — pick up where she left off
- Lessons, her Circle, **live sessions and messages**
- She joins with a **code from her parent**
- Designed for **small screens and low data**
- Payments stay on the website — **nothing to buy** in the app
- iPhone version **already in testing** with Apple

For her: the Academy is one tap away.

7

8

SAFETY & PRIVACY

Built in from the start, not added later

- ❑ Parents **give consent first** — her account comes after
- ❑ A **permanent record** of every consent
- ❑ Community **off for under-13s** until a parent says yes
- ❑ **Instant alerts** if a girl may be at risk, or a stranger reaches out
- ❑ “**Talk to someone**” reaches a real adult privately
- ❑ Built for **Ghana's Data Protection Act**
- ❑ **No ads**, and her data is never sold

For everyone: peace of mind.

9

WORKS WITH ZOHU

Connected to the tools you already use

- ❑ New **enquiries** flow into Zoho
- ❑ **Enrolments and payments** are recorded there too
- ❑ Send **newsletters** to parents from Zoho
- ❑ **Zoho Meeting** can host bigger sessions and webinars
- ❑ Girls' **personal details stay protected** in the Academy platform

For you: keep working the way you already do.
